

March/April 2021 Membership Update

As a result of our second membership promotion in February, our chapter gained two new members. Please join me in welcoming Aaron Mars and Zach Oszman! Our goal was to recruit 8 new members during this promotion. We will offer one more opportunity to reduce the annual dues rate from \$399 to \$299 before the end of the fiscal year. We're also pleased to welcome back Melissa Meikle, who reinstated her membership last month.

The 2020-2021 fiscal year has been challenging for a number of reasons. We've greatly missed seeing and connecting with you monthly at in-person events. However, as a result of the pandemic, we successfully introduced virtual professional development sessions and hybrid chapter meetings to include a livestream feature. In addition, we offered virtual peer group meetings, networking and a four-part book club that will begin next month.

We're proud of what we've achieved together during this unusual fiscal year. We owe our members and strategic partners gratitude for your continued support and patience as we shifted most of our in-person offerings to virtual ones. Our dedication and commitment to you remains resolute!
