

## March/April 2019 Newsletter President's Message

Spring has sprung! Along with the warmer weather, spring brings a few changes for your chapter leaders as we shift focus to the next chapter year. That does not take away from all of the great opportunities available to us in the coming months to wrap-up this chapter year.

Our final chapter meeting is scheduled for April 16<sup>th</sup> and features former Army Major General Marcia Anderson as our keynote speaker. Our professional development sessions are presented by Valuation Research Corporation, Cleary Gull, Godfrey & Kahn and Mason Wells. I look forward to seeing you all at what will likely be another great meeting.

Additionally we have a several other great events on the calendar that provide opportunities for connecting with peers and developing skillsets. They are:

- Diversity & Inclusion Group lunch & learn webinars on Tuesday, April 23<sup>rd</sup> and Tuesday, June 25<sup>th</sup>.
- The Associated Benefits Risk & Consulting Leaders Forum on Wednesday, April 24<sup>th</sup> with keynote speaker Mel Robbins. We had the pleasure of hearing Mel speak at last year's FEI Summit, and also at the 2017 FUSION Event. She has a great message that is delivered with tremendous energy.
