

September/October 2020 Membership Update

I'm excited to announce we'll be offering another chapter choice membership promotion during the month of October! The FEI National Office is supporting local chapter recruitment by reducing the annual dues rate in conjunction with our October chapter events. The details are as follows:

1. FEI National is offering a special annual dues rate of \$299 for the first 12 months of membership versus the normal rate of \$399. This reflects a 25% discount.
2. FEI of Northeastern Wisconsin does not charge chapter fees for the first twelve months of membership so the total fees for the first year are \$299.
3. **This special offer applies to new members within the Executive Membership category only.** The National dues for the other categories (Government/Military, Academic and In-Transition) are already at \$299.00 annually.
4. **This offer is valid for applications received by FEI National from Tuesday, October 13, 2020 through Tuesday, October 27, 2020.**

There is a special application that needs to be used in conjunction with this offer, which I can send to prospective members. They do not have to attend any of the October virtual or in-person events to receive the special pricing. Our goal is to recruit ten members during this special offer.

The best way to recruit new members is through personal contact. Please contact colleagues you think might benefit from an FEI membership. There is no cost for them to attend any of our events as a guest.
