## What is the FEI Diversity & Inclusion Group?

FEI National continues to encourage local chapters to focus on diversity within our membership. Women executives face a unique set of challenges in balancing their careers and personal lives. This special interest group is focused on exploiting the talents of individuals and creating opportunities to improve personally and professionally. As a result, we hope to increase membership engagement in our chapter and create additional ways for our female members to find value in the FEI experience

## Diversity & Inclusion Group events are open to the following individuals:

- Members of the FEI NE Wisconsin Chapter
- Managers and executives within an FEI Member's Company
- Representatives of our strategic partner companies
- Prospective chapter members
- Guests of any of the above
- While some event topics are geared toward women, men are welcome and encouraged to attend & participate
