CONTROLLER – SMALL BUSINESS

Our client, Valley North Distributing - a provider of doors, millwork and hardware in the Midwest and located in Oneida, WI, is seeking an experienced, hands-on individual to manage their accounting, information technology and human resources functions.

Reporting directly to the President and as part of the management team, the successful candidate will continually assess and anticipate the accounting, human resources and technology needs of the business and develop solutions. This position will be responsible for preparing financial reports, month end closes, working with the payroll service, supervising staff, budget preparation, human resources functions and information technology.

The ideal candidate will have a bachelor's degree (or equivalent experience), a minimum of three years of experience in an accounting role (including cost accounting), exposure to human resources functions and have been responsible for an accounting system. Beneficial experience includes: supervisory, Sage software and employee benefits.

This position is accompanied by a competitive salary and benefits package. If you would like to be a key contributor in this customer focused company, submit your resume to https://hrconsulting-wipflihr.icims.com/jobs/1815/controller---small-business/job.
